Geographical Data Clicks  
Impression & Position

Project India

Geographical Data shows how your website performs in different countries or regions based on search traffic. Clicks, Impressions & Position indicate how many times your site was clicked, how often it appeared in search results, and its average ranking in those results.

Keywords, Search Queries, Clicks Impression Position

Project India

Keywords & Search Queries are the words and phrases users type into search engines to find information, products, or services. Clicks, Impressions & Position show how many times your website was clicked, how often it appeared in search results, and its average ranking for those queries.

Top Pages & Click

Project India

Top Pages are the website pages that receive the highest visibility and traffic from search engines. Clicks indicate how many users actually visited those pages after seeing them in search results.
