Geographical Data Clicks
Impression & Position

Project Australia

Geographical Data shows how your website performs in different countries or regions based on search traffic.

Clicks, Impressions & Position indicate how many times your site was clicked, how often it appeared in search results, and its average ranking in those results.

Top Pages & Click

Project Australia

Top Pages are the website pages that receive the highest visibility and traffic from search engines. Clicks indicate how many users actually visited those pages after seeing them in search results.
